

Intermountain Region (R4) Fire Hire Outreach Notice—Wildland Fire Positions GS-462-04 - GS-462-08

Opening: November 2, 2015

Closing: December 1, 2015

The Intermountain Region is looking for a committed, hard working, highly skilled workforce to work in wildland fire suppression and in fuels management on 12 national forests located in Idaho, Nevada, California, Utah and Wyoming. The fire and aviation management program is very rewarding and requires talented people working safely as part of a team in a variety of specialized positions; including dispatch, apprentice, engine crews, fuels management, hand crews, helitack, interagency hotshot crews, smokejumpers and prevention.

It is important that applicants understand, although a current position may not be vacant, it could become vacant and filled during the selection period. This is called the backfill process of fire hire. Interested individuals should apply to **all** positions and locations where they would be **willing** to accept a job offer, whether the position(s) are currently vacant or not. For questions regarding the potential process for backfill jobs, please contact Matt Nielsen at msnielsen@fs.fed.us or 801-625-5403.

For full consideration please respond to the outreach. Your response is important. Please address your outreach response to the contact listed for each location. Additional information about the position is available from the direct supervisor. You may use the attached outreach response form.

All applicants must attach a current copy of their IQCS Master Record or equivalent to their USAJOBS application showing that they meet the Interagency Fire Program Management (IFPM) qualification requirements. Recommended documentation type is .PDF or .DOC. Please contact your servicing Dispatch Center to obtain a copy of this record and ensure that you have it attached to your USAJOBS application prior to submission. For more information on IFPM and FSFPM qualifications refer to the IFPM web page at <http://www.fs.fed.us/fire/management/ifpm/index.html>

This outreach is for all GS-0462-04 thru GS-0462-08 current permanent fire and fuels positions covered by the new regional announcements. The vacancy announcements for these positions are posted on the U.S. Government's official website for employment opportunities at, www.usajobs.gov. Those that wish to be considered for these positions in the 2016 Spring R4 Fire Hire event must apply to the new regional announcements by the cutoff date of **December, 1st 2015**. During the selection week candidates will be given **4 hours** to respond to voicemails or emails from the recommending officials. If they do not hear back they will move on to the next candidate and the candidates name will be withdrawn from the R4 Fire Hire.

On the R4 Fire Hire web page map http://www.fs.fed.us/r4/fire/r4fire_hire/ there is a list of vacant positions and positions that have the potential to become vacant during the selection week. If you do not have a permanent job with the government or you are a summer temporary you need to apply through the DEMO process. Pick the Regional vacancy announcement number you want to apply to and put **a DP at the end of the number**. Example- **16-FIRESPRING-HCREW(H)6DP**. If you are a permanent government employee you need to apply to the Merit Promotion. You will put **a G after the Regional vacancy announcement number**. Example-**16-FIRESPRING-HCREW(H)6G** For instructions on how to search for jobs and fill out your applications go to the R4 Fire Hire Web page shown above.

The Process and Timeline

October –Outreach begins. Information is available on the Intermountain Region's website listing all vacant permanent fire vacancies and locations for the GS-0462-04 thru GS-0462-08 **December 1st, 2015–Application deadline.** Apply through USAJOBS, www.usajobs.gov. Applicants are

encouraged to apply for multiple locations (where you will accept a position if offered), even if vacancies for certain locations are not listed as vacant, as vacancies may occur during the hiring process.

February 8th -19th, 2016—Reference collection weeks. Applicants need to let their supervisors know they will be contacted by Fire Hire officials requesting reference checks for the applicants.

February 29th, 2016—Selection week. Representatives from each forest will make recommendations for hiring. Applicants selected will be notified by a Forest Service representative by phone. Applicants not selected should be notified by HRM via e-mail. It is highly recommended to be around your phone all during this week.

April 4th, 2016—First possible effective date (excluding drug testing, transfer of station, and less than Permanent Full Time appointments). Date can be negotiated with current supervisor and employee.

Intermountain Region
Region Wide
98 Fire Hire Vacancies Currently

While these are the current vacancies available in the Intermountain Region, please apply to any position and duty station in USAJOBS that you may be interested in as those positions may become vacant through the Fire Hire process. For further information or questions, please contact Matt Nielsen at 801-625-5403 or msnielsen@fs.fed.us
